Sites 6 and 7 are located in Community Redevelopment Areas that provide tax credits, tax refunds, and subsidized tax rates. Site 8 is a designated State Enterprise Zone.

The application indicates a need for additional foreign-trade zone services in

the Greater Fort Lauderdale area. Several firms have indicated an interest in using zone procedures for warehousing/distribution of such items as decorative home accessories, medical equipment, furniture, apparel and marble/ceramic tile. Specific manufacturing approvals are not being sought at this time. Requests would be made to the Board on a case-by-case basis.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.
